Welcome!

*This weekend we celebrate an amazing eighteen years of In Motion Dance Project with our 18th Annual Revue, **Memento: A Keepsake of Dance Memories!** This event is filled with special moments for our dance family. For many, it's a day that they have talked and dreamt about for months. The preparation in classes, rehearsals and behind the scenes were only made possible due to the commitment and leadership of the dancers, parents, volunteers and faculty.*

It has been our greatest honor to serve the community of Central Florida and its dance families since 2004. The BIG SHOW is always one of our most favorite memories we cherish each dance season.

Whether it is your first IMDP revue or your last, cherish every moment.

*With gratitude,
Api and Amanda Photnetrakhom
